FURNISHINGS LLC  
GATHER OUTDOORS

2023  
PRODUCT GUIDE

## INTRODUCTION

At Everwood Furnishings, our foremost goal is to bring glory to God. Our secondary goal is to give satisfaction and enjoyment to you, our customers. With these goals in mind, we have carefully and thoughtfully designed a collection of fine outdoor furniture, specifically tailored to your outdoor living needs.

At Everwood Furnishings, we know your time gathered outdoors with family and friends is a wonderful time spent in making memories while sipping iced tea or enjoying a barbecue together.

Our furniture is handcrafted using only high grade weather resistant materials.

We start with premium poly lumber also known as polyethylene, or simply plastic lumber.

We are happy to offer our customers furniture consisting of 95% recycled content. That's right, Everwood's outdoor furniture is made using your

recycled milk jugs!

We are excited to be part of a green earth revolution.

After we have carefully shaped each furniture part, we then fasten them with high grade stainless steel fasteners. Stainless steel resists saltwater and all weather corrosions.

So, while you are relaxing on your patio, may your mind be eased in knowing your furniture needs no maintenance. (Wash with warm water and soap when desired.)

**IT WILL NOT CRACK OR SPLINTER,**  
It is colorfast—resists fading.

At Everwood we want your outdoor living experience to be only pleasures—no worries.

So go ahead—**GATHER OUTDOORS.**
